* = standard; - = not included;

■ For additional information on boat standard equipments and outboard motors characteristics, check the relevant catalogue

▲ Outboard motor fitting with harness and gauges

• For more information please check the inflatable boats catalogue *ella gamma*.

The boats in the Pro Work range are designed to allow maximum flexibility and customisation of the equipment to fully meet the needs of the professional customers. It is possible to check with the Selva dealer which accessories are available in the wide standard range and, if necessary, to request specific quotes for particular customisations, which will be supplied directly by the shipyard.

ADDITIONAL EQUIPMENTS INCLUDED INTO THE PRICE FOR ALL THE BOAT MODELS: Please refer to the relevant catalogue

NOTE: The package retail prices includes the transport cost for Ireland
